PUBLIC NOTICE

EFFECTIVE IMMEDIATELY
Re: Multiple Objections to Claims

Local Rule 111(15)(c) requires the objecting party to furnish certain information about each claim to the appropriate Courtroom Deputy when more than ten (10) objections to claims are to be heard on one case. Effective immediately, attorneys and Trustees filing more than ten (10) objections to claims are requested to furnish a non-returnable computer diskette containing the claim numbers, names of claimants, and amount of claims, in addition to the paper copy. At this time, this request applies to the Los Angeles and San Fernando Valley Divisions only.

Calendars are now available for viewing on PACER in the Los Angeles and San Fernando Valley Divisions. To enable these Divisions to include the Multiple Objections to Claims Calendar on PACER, we request that this information be provided on diskette.

Technical requirements for the diskette are available free-of-charge from each Courtroom Deputy in the Los Angeles and San Fernando Valley Divisions, as well as the Contract Copy Services in these Divisions (for a nominal fee). To obtain this information, ask for the pamphlet "NOTICE TO ATTORNEYS AND TRUSTEES - re: Multiple Objections to Claims Calendar".
