

Instructions For Obtaining A Hearing Date (Effective May 2003)

With the exception of emergency hearings, which may be set with the permission of the court on any day, hearings on motions will ordinarily be set on Wednesday or Thursday of each week. There will be weeks where no hearings are scheduled for either Wednesday or Thursday either because court is not in session or that time is otherwise reserved for a trial. Available calendar dates are posted on the court's website, www.cacb.uscourts.gov. For self-calendaring, please call (213) 894-3118 to select a hearing date. If you seek a hearing relating to more than one matter for the same date and time and involving the same debtor, inform the calendar clerk, Rosemarie Martinez at (213) 894-5855 and she will usually be able to set a single hearing date and time.
