PUBLIC NOTICE

RE: New Legislation Task Force

The Bankruptcy Court for the Central District of California has established a New Legislation Task Force to review the court's rules, forms and procedures in light of "The Bankruptcy Abuse Prevention and Consumer Protection Act of 2005," enacted on April 20, 2005. The task force is interested in any ideas or proposals members of the public, attorneys or professional associations may have concerning changes needed in any of the court's rules, forms, or procedures in light of the new law. If you are interested in submitting any suggestions to the task force relative to implementing the legislation, please email them to comments@cacb.uscourts.gov.

The task force may also be setting up meetings and possibly subcommittees in the future to discuss specific proposed changes in court procedures or rules. If you would like to be invited to take part in this process in the future or you would like to serve on a subcommittee, please email your contact information to comments@cacb.uscourts.gov. Please state what type of involvement in bankruptcy cases you have, what types of parties you usually represent and the areas of the district where you work. Please include the email address where you would like to be contacted in the future.
