1.6 Information about Assigned Trustee & U.S. Trustee

If a case trustee has been assigned to a bankruptcy case, the trustee's name and contact information will be identified on page one of the case docket. For more information about case trustees and the United States trustee, please refer to *Appendix C* of this Manual or visit the U.S. Trustee website at <http://www.usdoj.gov/ust/r16/>.

1.7 Case Files

Case files are available for public viewing at each division. PACER and computers in public areas can also be used to view and print electronic images of most case file documents. (See *Obtaining Copies of Court Records*, section 1.12.)

a) Official Time of Case Filing

The official time of case filing is when a petition is entered and docketed in CM/ECF (See section 3.3, *Effective Dates of Filing*, for the timing of filing applicable to all documents). Once the petition is docketed in CM/ECF, an electronic header appears on the petition indicating the case number, date filed, and the time the petition was entered in CM/ECF (See also, section 3.2(a)(3) *Notice of Electronic Filing*).

b) Examples of the Time Filing

- If filed electronically, the official date and time of filing is when the document is entered and docketed in CM/ECF.
- If filed at the intake window, the official date and time of filing is when the document is entered and docketed in CM/ECF. (Once a filer first arrives at the Intake window, the clerk will take several minutes to

review that all documents satisfy the Court's completion requirements and collect fees (if applicable).

- If delivered by mail, the official date and time of filing is when the document is entered and docketed in CM/ECF (Clerk's Office staff will enter and docket documents received through the mail during business hours).
- If submitted through the eSR module (see section 1.13(c), *Electronic Self-Representation (eSR)*), the official date and time of filing is when the document is entered and docketed in CM/ECF. (Clerk's Office staff will enter and docket an eSR petition during business hours.)
- If submitted through the Electronic Drop Box (EDB), the official date and time of filing is when the document is entered and docketed in CM/ECF (Clerk's Office staff will docket EDB submissions during business hours.)
- If placed into the physical drop box, the official date and time of filing is when the document is entered and docketed in CM/ECF. (Clerk's Office staff will enter and docket all submissions during business hours.)

As listed above, the official time of filing is when the document appears on CM/ECF, regardless of the filing method (in person, electronically through CM/ECF, through eSR or EDB, by mail, or left in the physical drop box).

1.8 **Archived Files**

- (a) **National Archives and Records Administration (NARA)**. The Court transfers paper case files and docket sheets for cases filed before 2003, and closed for over one year, to the National Archives and Records Administration in Perris, California. Case files, documents and docket sheets stored at NARA cannot be viewed at NARA.
- (b) **Obtaining a Copy of a Case File, Document, or Docket Sheet from NARA**. There are a number of ways to get copies of case files, documents and docket sheets from the NARA. Each method, as listed below, will require that the requestor identify the case number, transfer number, and box number for the requested case file, document or docket sheet. To get these numbers and other information, contact the Court's Call Center at 855-460-9641, or use the online chat feature at www.cacb.uscourts.gov.

Los Angeles	1995 or later

Santa Ana	On or after June 3, 1991
Northern	On or after June 1, 1992
San Fernando Valley	July 1996 or later

1.10 Hearing Information

- (a) **Obtaining a Hearing Date.** To set a hearing date, first determine if the judge uses self-calendaring for the type of matter that is being scheduled. If self-calendaring does not apply, contact the courtroom deputy for the judge who is to hear the matter to obtain a hearing date, time, and location. (See *Appendix A.*)
- (b) **Self-Calendaring.** The self-calendaring system is designed to enable counsel and parties to schedule hearing dates for matters heard on regular notice without having to contact the courtroom deputy to obtain a hearing date. All bankruptcy judges in all divisions of the court use self-calendaring to some degree. Self-calendaring instructions, types of matters that may be self-calendared, and hearing dates for each judge are posted on the court's website at <www.cacb.uscourts.gov> -> *Judges.*

NOTE: Self-calendaring must be used for electronically filed Motions for Relief from Stay.

- (c) **Self-calendaring Information.** Self-calendaring information can also be accessed for all divisions by contacting the court's Call Center, at (855) 460-9641, and selecting Option #4.
- (d) **Viewing the Court Calendar.**
- (1) The court calendar and tentative rulings (if issued by the judge) are available to the public on PACER and at computers in the public areas of each courthouse. (See *PACER*, section 5.3.)
 - (2) Kiosks are available at the Los Angeles, Riverside, and San Fernando Valley divisions that display each judge's calendar and tentative rulings (when applicable).
 - (3) Calendars for the current hearing date are posted outside of the judge's courtroom.
- (e) **Making Special Hearing Arrangements.**
- (1) Telephonic and video conferencing may be available for parties who are not able to appear in the courtroom. Advance approval by the judge hearing the matter is required. (See *Teleconferencing*, section 5.4, and *Videoconferencing*, section 5.5.)
 - (2) For persons with partial hearing loss, courtrooms are equipped with special headphones that are connected to the courtroom sound system. Prior to the hearing, contact the courtroom deputy to determine the availability of the equipment. (See *Appendix A.*)

Section 1 - General Court Information

- (3) Language or sign language interpreters may be provided by the court to assist parties in the courtroom. (See *Language and Sign Language Interpreters*, section 1.11.)
- (f) **Obtaining a Transcript or Audio Recording of a Hearing.** Upon conclusion of a hearing, the public may request a transcript or audio recording of the hearing for a fee. (See *Audio Recordings of Court Proceedings Ordering Information*, section 1.14, and *Transcript Ordering Instructions*, section 1.15.) (Information regarding order forms may be found in this manual under section 6, *Forms*.)

1.11 **Language and Sign Language Interpreters**

- (a) **Language Interpreters.** The United States government will pay for language interpreters in a court hearing only if the United States government initiates the hearing.
- (b) **Sign Language Interpreters.**
 - (1) The United States will pay for *sign language* interpreters in a judicial proceeding whether or not the proceeding is initiated by the United States.
 - (2) To request approval for a sign language interpreter, at least three weeks prior to the hearing, contact the court's ADA Officer (213) 894-8894 or by email at ADA_Coordinator@cacb.uscourts.gov to submit the following form: *Application to Provide Services to the Hearing Impaired*.
- (c) **Interpreters for § 341(a) Meeting of Creditors.** The United States Trustee provides a new telephone interpreter program available at § 341(a) meetings for virtually every language. Because the § 341(a) Meeting of Creditors is not a judicial proceeding, requests for a sign language interpreter at these meetings must be made directly to the trustee assigned to the case. All requests should be made at least two weeks prior to the scheduled meeting. (See *Appendix C*.)

1.12 **Obtaining Copies of Court Records**

- (a) **Public Intake Counter.** The Intake Section at each division will provide copies of case file documents for a fee. Only the Intake Section can provide certified copies of case file documents. To request a copy, complete a *Document Request Form* and present it at the public counter.

- (b) **PACER.** See *PACER*, section 5.3, to register for Internet access to dockets, claims registers, case information, and images of many case file documents. There is a fee for this service.
- (c) **By Mail.** To request copies or certified documents by mail from the Clerk's Office, send a self-addressed, stamped envelope to the Intake/Correspondence Section at the appropriate divisional office. Include the following information with the request:
 - (1) Case number;
 - (2) Document title;
 - (3) Document number (if available);
 - (4) Your name, address, and telephone number; and
 - (5) Applicable fees.

1.13 **Obtaining Central District Bankruptcy Forms**

- (a) **Court's Website.** Many court forms, including complete petition packages with instructions, are available at no charge from the court's website at <www.cacb.uscourts.gov> -> *Forms*. Most forms are in fillable format and can be printed from any computer with Internet access and Adobe Portable Document Format (PDF) Reader software. (A link to the Adobe website is also available on the court's website.)
- (b) **Intake Section.** A number of forms are available at no charge in the Public Information and/or Intake Section at each division. (See *Forms*, section 6, for a list of these forms.)
- (c) **Electronic Self Representation (eSR).** eSR is a free electronic document preparation system that allows debtors to submit a chapter 7 or chapter 13 bankruptcy petition via the Internet, when they have decided to file bankruptcy without an attorney. There is no cost to use eSR. Once the petition is completed using eSR, debtors may file the bankruptcy case by paying only the bankruptcy filing fee, submitting the eSR petition electronically, and providing signatures for the supplemental documents required. eSR provides a question and answer process for completing bankruptcy forms. It is accessible 24 hours a day at www.cacb.uscourts.gov/esr. Individuals who wish to file a chapter 7 or chapter 13 bankruptcy petition and who live in the Central District of California may access eSR using a unique login and password.

1.14 Audio Recordings of Court Proceedings Ordering Information

- (a) **Digital Technology.** The Bankruptcy Court for the Central District of California has converted the method used to record court hearings from an analog tape system to digital technology. The court has selected the *FTR Gold™* digital recording product, as it offers superior sound reproduction capability compared to the former tape process. (Forms are available at <www.cacb.uscourts.gov> -> *Forms* -> *Other Forms*.)
- (b) **Audio Recordings.** Audio recordings of court proceedings requested for hearings held after an office converted to the new digital system will be provided on a compact disc (CD). Audio recordings of hearings held before implementation of the new system will continue to be provided in a cassette tape format. The cost of either one compact disc (CD) or one cassette tape is \$32.00 each.
- (c) **Audio Requests.** Audio requests provided on compact discs (CDs) may be purchased from the court in lieu of a transcript for **personal use only and are not the official record. The official record of court proceedings can only be obtained in the form of a transcript through a court-approved Transcription Service Provider from materials provided to that transcriber by the court** (see Transcript Ordering Instructions, section 1.15.(b)). Audio CDs may be ordered in one of three formats, *FTR Gold*, *Windows Audio*, or MP3.
 - (1) **FTR Gold.** This format must be played using *FTR Player Plus™* which is available at no charge on the *FTR Gold™* website at <www.ForTheRecord.com>. (Note the minimum system requirements as listed on the *FTR Gold™* website and the availability of separate downloads for various Windows products.) If audio is played using this software the user will be able to navigate through the recording by using the time references from the actual hearing. One day's hearings may be provided on one CD using this format.
 - (2) **Windows Audio.** This format will play using the standard Windows Media Player software installed on most personal computers. One day's hearings may be provided on one compact disc (CD) using this format.
 - (3) **MP3.** This format is the most versatile. It will play on many CD-R and CD-RW compatible players. Select this option if the audio will be played in a vehicle or on a personal CD player (most newer portable players are MP3 compatible). This format also plays on standard PC media players installed on most computers. One day's hearings will fit onto one CD in this format. In addition, this is the **only format compatible with Apple/Macintosh ("Mac") computers.**

- (d) **Offices in the Central District converted to digital recording in 2004.** Should you have questions regarding digital recording, please contact the court's Call Center, at (855) 460-9641, and select Option #0, then Option #9.

1.15 **Transcript Ordering Instructions**

- (a) **Transcript Requests.** A separate form must be completed for each hearing date requested. The court does not accept transcript requests by fax, email or telephone. Transcript ordering instructions and PDF fillable order forms are available at <www.cacb.uscourts.gov> -> *Information* -> *Transcripts*. The court's approved *Transcript Order Form* is the only form the court will accept. Five types of transcript orders are:
- (1) **Ordinary.** A transcript to be delivered within thirty (30) calendar days after receipt of the deposit.
 - (2) **14 Days.** A transcript to be delivered within fourteen (14) calendar days after receipt of the deposit.
 - (3) **7 Days.** A transcript to be delivered within seven (7) calendar days after receipt of the deposit.
 - (4) **3 Days.** A transcript to be delivered within three (3) calendar days after receipt of the deposit.
 - (5) **Daily.** A transcript to be delivered within 24 hours after receipt of the deposit.

NOTE: The **341(a) Meeting of Creditors is recorded by the Trustee.** The court does not keep or provide a copy of the recording. For **341(a) Recording Request Procedures**, visit the U.S. Trustee website (<www.justice.gov/ust/r16>).

- (b) **Transcript Processing.** The court does not transcribe court proceedings. **The official record of court proceedings is transcribed by a court-approved transcriber from materials provided to that transcriber by the court.** When a *Transcript Order Form* is received, the court will forward the hearing information and materials for transcription to the Transcription Service Provider that the ordering party designates on the *Transcript Order Form*. The Transcription Service Provider will contact the ordering party regarding receipt of the transcript. Thereafter, questions regarding a transcript order should be directed to the Transcription Service Provider. Transcripts cannot be picked up at the court. More information is available at www.cacb.uscourts.gov/track-transcript-status.

Section 1 - General Court Information

- (c) **Transcript Costs/Forms of Payment.** The Transcription Service Provider will contact the ordering party directly regarding transcript costs and forms of payment. Rates may vary but may not exceed maximum charges set by the Judicial Conference of the United States (maximum rates are listed at www.cacb.uscourts.gov/transcripts).
- (d) **Submission.** Parties with an ECF account shall file the *Transcript Order Form* in CM/ECF on the related case docket using docket event, “*Transcript Order Form (Public Request)*.” Self-represented litigants and parties without an ECF account may hand-deliver or mail the Court’s *Transcript Order Form* to the division in which the matter was heard*:

(e) **Copies of Transcripts.**

- (1) **Copies Obtained from Transcriber.** Once the *Transcript Order Form* requesting a transcript of a hearing is entered on the related case docket, a Transcription Service Provider is designated and materials for transcription are sent by the court to the designated Transcription Service Provider. If more than one party files a *Transcript Order Form*

for the same hearing, the first *Transcript Order Form* on the docket takes precedence. All other parties that wish to obtain a transcript of the same hearing are to contact the Transcription Service Provider designated on the case docket.

- (2) Transcripts with 90-Day Restriction. Finished transcripts are provided to the court by the designated Transcription Service Provider. The transcript is filed on the case docket and restricted for 90 days from the filed date as set forth in the [Guide to Judiciary Policy Vol. 6, §510.25.10](#). During the 90-day restriction period, the transcript may be viewed at the Clerk's Office on a public computer terminal or a copy purchased from the designated Transcription Service Provider that created the original transcript. After the 90-day restriction has ended, the filed transcript will be available for inspection and copying in the Clerk's Office (See *Abbreviated Fee Schedule*, section 1.2, for photocopy fees) and for download from the court's CM/ECF system through the judiciary's PACER system (PACER fees may apply).

1.16 Mediation Program

- (a) Coordination. The court, in cooperation with local bar associations, coordinates a mediation program to enable parties in a case to settle their dispute without going to court. Through mediation, cases may be resolved more quickly, at a lower cost, and to the parties' mutual satisfaction, often without the stress and pressure of litigation. The program is governed by Second Amended General Order 95-01.
- (b) Cases Eligible for Mediation Program. Almost all controversies arising in an adversary proceeding, contested matter, or other dispute in a bankruptcy case are eligible for referral to the Mediation Program.
- (c) How Cases are Assigned to the Mediation Program. A judge assigns a case to mediation in one of three ways:
 - (1) At the request of the parties, by filling out a *Request for Assignment to Mediation Program form* and a related *Proposed Order Assigning Matter to Mediation and Appointing Mediator and Alternate Mediator*.
 - (2) By order of the judge during the course of a court hearing.
 - (3) By order of the judge outside the course of a court hearing.

(d) **Who May be Appointed as a Mediator.**

- (1) Both attorneys and non-attorneys may serve on the Panel of Mediators. Individuals who want to serve on the Panel apply to the Administrator of the Mediation Program in response to a court-established deadline. After receiving court approval, mediators are appointed to the panel for a three-year term. Mediators must meet certain qualifications before they are appointed and must complete 30 hours of mediation training (unless excused by the court due to a sufficient amount of previous mediation training and experience).
- (2) Except in certain limited circumstances, mediators serve without pay (*pro bono*). If payment is requested, the mediator's compensation shall be on such terms as are satisfactory to the mediator and the parties and is subject to the prior approval of the judge if the estate is to be charged with the expense.

(e) **How Cases Proceed in the Mediation Program.**

- (1) When the judge assigns a matter to the Mediation Program, a mediator and an alternate mediator are appointed. The parties are normally given the opportunity to select a mediator and an alternate mediator from a list (Panel of Mediators) provided by the court. If the parties cannot agree on a mediator, the judge will assign one. However, the judge may select and appoint a mediator and an alternate mediator without the parties' consent.
- (2) After selection, the mediator will contact the parties and arrange a time and a place to meet for a mediation conference. The parties must prepare a Mediation Statement 7 days prior to the meeting. This statement is **confidential** and is not filed with the court. No statements made in the Mediation Statement may be used for any purpose outside of the mediation conference. Mediation conferences are informal; the rules of procedure that apply in court are not used.
- (3) At the conclusion of the mediation conference, the mediator files Mediator's Certificate Regarding Conclusion of Mediation Conference (Form 706) with the court advising the judge whether the matter settled. If the parties reach a settlement, a document, providing details of the settlement, is prepared and filed with the court. The court must approve all agreements. If the parties cannot reach an agreement, the judge will hear the case in court.
