

TELEPHONIC PROCEDURE

FOR

HONORABLE THOMAS B. DONOVAN

United States Bankruptcy Judge for the Central District of California

Updated 07/22/2015

The judge generally allows telephone appearances, as a courtesy, not as a right.

It is the requester's duty to make arrangements using the judge's designated conference call provider, CourtCall.

The attorneys can request a telephonic appearance through CourtCall. The phone number is (888)882-6878. Website is www.courtcall.com.

When appearing by phone, mind your mute button to avoid interfering with other hearings in progress.

No speaker phones allowed ever!

No cell phones allowed without a very good reason.
