CLERK U.S. BANKRUPTCY COURT CENTRAL DISTRICT OF CALIFORNIA BY DEPUTY CLERK

UNITED STATES BANKRUPTCY COURT CENTRAL DISTRICT OF CALIFORNIA

IN RE: COMPLEX CHAPTER 11 CASE

DEFINITION AND PRE-FILING

PROCEDURE

GENERAL ORDER 23-02

The Court has examined its procedures in an effort to most efficiently administer complex chapter 11 cases. Based on its review (which remains ongoing), and a majority vote of the Court's sitting judges,

IT IS HEREBY ORDERED as follows:

Definition of a Complex Chapter 11 Case (a "Complex Case"). A Complex Case is a case or group of affiliated cases in which (i) the total liabilities of the debtor (a single debtor or a group of affiliated debtors whose cases are intended to be jointly administered) exceeds \$10 million; (ii) there are more than 50 parties in interest; or (iii) any claims against or interests in the debtors are publicly traded, all as reported on the debtor(s) bankruptcy petition(s).

Optional Designation Below \$20 Million; Mandatory Above. If the debtors have more than \$10 million but less than \$20 million in liabilities, the election as a Complex Case is optional. The Complex Case election must be made before the case is filed. For

cases where the debtors have \$20 million or more in liabilities, the Complex Case designation is mandatory.

Pre-Filing Procedure. Because the provisions of Local Bankruptcy Rule ("LBR") 9075-1 may be inadequate to ensure that a "first day" hearing in a Complex Case will be scheduled when needed, before filing the petition, counsel for a Complex Case Debtor must contact the court to advise the court of the planned filing and schedule a first day hearing within 48 hours of the filing or, if that is a weekend or holiday, on the next business day. The Chief Deputy of Operations or a designee (Chief Deputy) is the initial contact for all pre-filing matters for anticipated Complex Cases. The Chief Deputy can be reached at 213- 894-3901 or by email at complex_ch11@cacb.uscourts.gov. The Chief Deputy will be accessible after business hours and on weekends (within reason). Counsel for the Complex Case Debtor must inform the Chief Deputy of (a) the approximate date and time when the case is expected to be filed, (b) the division in which venue is proper, (c) the motions expected to be filed that will require a hearing within 48 hours after the case is filed, and (d) the telephone number and email at which such counsel can be reached. Counsel will not be required to reveal the name(s) of the debtor(s).

The Chief Deputy will contact the judge randomly assigned to the case in the applicable division for the case under LBR 1071-1(a) to ensure that the judge (1) is willing and able to conduct a hearing on the specified motions within 48 hours, (2) agrees to permit remote (video or telephone) access to all parties wishing to attend the hearing, and (3) agrees to set at least one monthly "omnibus" hearing for matters in the Complex Case, with remote (video or telephone) access for all parties wishing to attend those omnibus hearings (the "Assignment Criteria"). All judges of the Court who believe they may be willing and able to meet the Assignment Criteria for any Complex Case that might be filed in future will provide standing instructions to the Clerk's Office regarding contact procedures.

procedures.

¹ The circumstances to be considered by the Chief Bankruptcy Judge include when a judge in the applicable division would become available, and the convenience to the Complex Case Debtor and parties in interest. Under this procedure, a Complex Case may be assigned, in the Chief Bankruptcy Judge's discretion, to a judge outside of the "applicable division" under LBR 1071-1.

If the first judge contacted by the Chief Deputy is not willing and able to meet the Assignment Criteria, the next judge randomly assigned in the applicable division for the case under LBR 1071-1(a) will be contacted. If the Chief Deputy is unable to locate an available judge in the applicable division, they will contact the Chief Bankruptcy Judge, who will consider the circumstances and, if necessary, assign the case to a judge in the closest division to the applicable division under LBR 1071-1(a). The case will be assigned to the first available judge who meets the Assignment Criteria.

As soon as a judge is assigned, the Chief Deputy will inform counsel for the Complex Case Debtor that a judge meeting the Assignment Criteria is available, without revealing the identity of that judge. The Chief Deputy will coordinate between counsel for the Complex Case Debtor and the assigned judge (again, without revealing the identity of the assigned judge) regarding the hearing date and time and any other pre-filing

Filing Procedure. When the bankruptcy petition is ready to be filed, counsel for the Complex Case Debtor must notify the Chief Deputy 15 minutes before the requested time to file the petition. The Chief Deputy will coordinate with the filing attorney regarding the precise time the petition will be filed, to ensure that the case is assigned to the correct judge (the one selected pursuant to the above procedures). Immediately after the petition is actually filed, counsel must telephone the Chief Deputy to confirm that the petition was received and assigned, and the Chief Deputy will alert the chambers of the assigned judge and notify counsel which judge has been assigned. Chambers for the assigned judge will then contact counsel to establish any procedures that have not already been established for the first day hearing, including any additional details regarding video or telephone appearances, filing a written agenda for the first

1	day hearing, and procedures for providing chambers with copies of moving papers and
