- (3) A schedule of executory contracts entered into or assumed after plan confirmation.
- (4) A statement indicating that post-petition taxes of every kind have been paid current, identifying each type of tax which has been paid and is current (i.e., income, payroll, property, sales, etc.), or a detailed explanation of any and all delinquencies, by type of tax, and dollar amount.
- (5) An estimate of the time for plan consummation and application for final decree.
- (6) Any other pertinent information needed to explain the progress toward completion of the Plan.
