LBR 9021-1. ORDERS AND JUDGMENTS

(b)(3) Proposed Order when Opposition to Motion was Filed.

- (A) **Service of Proposed Order on Contesting Party.** Pursuant to the Notice of Lodgment Procedures set forth in the [Court Manual](#), the attorney who has the duty to prepare any order required by this rule must serve a copy of the proposed order on counsel, or the party if filed without counsel, who filed an opposition or other objection to the relief requested, either before or on the same day that the order is lodged with the court, and must file a proof of service with the order. Alternatively, the attorney preparing the order may present it to opposing counsel for approval as to form before the order is lodged, in which case opposing counsel must immediately **(within 24 hours)** approve or disapprove the form of order and return it to counsel who prepared it. **A signature line of opposing counsel with the words "approved as to form" or, alternatively, "not approved, objection to follow" or something similar may be used for this purpose.** The signature of opposing counsel indicating that an opposition is forthcoming does not excuse compliance with subsection (3)(B) below.

- (B) Separate Objection to Proposed Order. If an objection to the form of a lodged order is to be filed, the ~~O~~pposing ~~c~~ounsel party must immediately (within 2 court days) upon receipt of the form of the proposed order contact the judge's clerk in chambers of the judge presiding in the matter by telephone, unless the judge's procedure indicates otherwise, to notify the presiding judge that an opposition will be filed. A voicemail detailing the matter, calendar number and date of the hearing, and the nature of the opposition, left with the judge's clerk may suffice as compliance with this duty. ~~O~~pposing counsel must ~~may~~, within 7 days after service of a copy of a proposed order prepared ~~pursuant to~~ under this rule, file and serve ~~an~~ written objection to the form of the order, setting forth the grounds therefor. Opposing counsel must attach as exhibits to the objection (i) a copy of the order that is the subject of the objection and (ii) a copy of the proposed alternative form of order. The proposed alternative form of order so labeled must be lodged with the objection. A judge's copy of the objection and proposed alternative form of order must be served on the judge in chambers in accordance with LBR 5005-2(d). The failure to ~~immediately sign (within 2 court days) when offered the form of proposed order indicating that an objection will be filed, or failure to timely notify chambers that an objection will be forthcoming, or failure to file and serve a timely objection~~ ~~will~~ as required by this rule may, in the court's discretion, constitute a waiver of any defects in the form of the order.
