

## CM/ECF TIPS!

### ***On-line Manual***

Did you know that step-by-step ECF filing procedures are available on-line? A hyperlink for the Online Manual will appear in the CM/ECF menu once you have logged into the system. We recommend you right-click on the hyperlink to open it in another window. That way, the ECF RoboHelp program will be automatically launched and you can search by keyword while still working on your petition, etc. in the other window!

### ***Avoid Duplicate Filings***

If the "receipt"(Notice of Electronic Filing) does not display immediately after the transaction has been submitted, always verify the filing in CM/ECF before re-filing the document. This rule also applies if the Pay.gov screen does not properly display to prompt for the payment of filing fees.

### ***Upload the Creditor Matrix and Run the Judge/Trustee Assignment***

Always upload the Creditor Matrix and run the Judge/Trustee Assignment immediately after the petition has been filed.

### ***Debtor(s) Address***

To ensure the proper venue is assigned when the petition reflects both a physical and mailing address for the debtor(s), the physical address must be entered in the CM/ECF system.

With respect to amended Official Bankruptcy Form 1 (the Voluntary Petition), the boxes on page 1 are revised to specifically require the redaction of both social security and individual taxpayer identification numbers for individual debtors, consistent with new Bankruptcy Rule 9037. CM/ECF filers may need to upgrade their petition preparation software and/or templates in order to file the revised Voluntary Petition. Additional information regarding the revised form can be found on the Judiciary's web site at [www.uscourts.gov/bankform/index.html](http://www.uscourts.gov/bankform/index.html).

The new and revised forms are available on the Court's Web site: [www.cacb.uscourts.gov](http://www.cacb.uscourts.gov), under *Forms/Rules/General Orders*. They will also be available in printed format at the copy services at each division and at Intake in the Northern Division.

## REQUEST FOR COMMENTS

The Judicial Conference's Committee on Rules of Practice and Procedure has issued a request for comments on the proposed amendment to Bankruptcy Rule 8002. Bankruptcy Rule 8002 is proposed to be amended to change from 10 days to 14 days as the deadline for filing a notice of appeal from a judgment, order or decree in a bankruptcy case. The proposed revision conforms to the time computation principles, which set deadlines of fewer than 30 days as multiples of seven days.

The Advisory Committee would be grateful to have the benefit of your views in determining whether the proposed 14-day deadline is appropriate and suitable to the needs of current practice, and whether consideration should be given to the question of further extending the deadline in the future to make it consistent with the 30-day general civil appellate deadline imposed by Federal Rule of Appellate Procedure 4(a)(1). Comments should be submitted by February 15, 2008, to: [rules\\_comments@ao.uscourts.gov](mailto:rules_comments@ao.uscourts.gov).
